Covid-19 "Omicron" update

2 January 2022

What do we know *now* about “Omicron”?

- It is more infectious
 - You can catch it more easily
 - Number of infections has gone up
- It causes less severe illness
 - Fewer people are in hospital with it

Department
for Education

Public Health
England

Schools have been asked
to ***do more*** to *protect*
ourselves, each other and
the community

That includes us!

Protecting ourselves & each other

Please
wear face
coverings

When inside
School bus or taxi
Corridors
Queue in Food Hall
Lessons & Assemblies

Please use
hand
sanitiser

Regularly
Enter/exit classrooms
Food Hall
Bus or taxi

Clean your desk &
chair every lesson

**OPEN WINDOWS AND DOORS
TO KEEP ENCLOSED SPACES
WELL-VENTILATED**

Wear **extra layers** *under blazer etc*

Test at home every Sunday & Wednesday

Please though...

You just do what *you*
can

Let others worry about
things that you can't
control

Talk to us if you need
to

**DON'T
PANIC!**
