## Year 9 History

### **Progress and Power in the Twentieth Century**

**After looking at a wide chronological history in Year 7 and 8 we continue with looking at progress within different groups with LGBTQ+ people and then look at the very important and resonant First World War.**

**We will cover the decriminalisation of LGBTQ+ people in Britain, consider the progress that different marginalised groups made in the twentieth century, and look at the causes and events of the First World War that changed Europe forever.**
