

Welcome to Film Studies!

The following slides are your Summer Prep tasks to be completed.

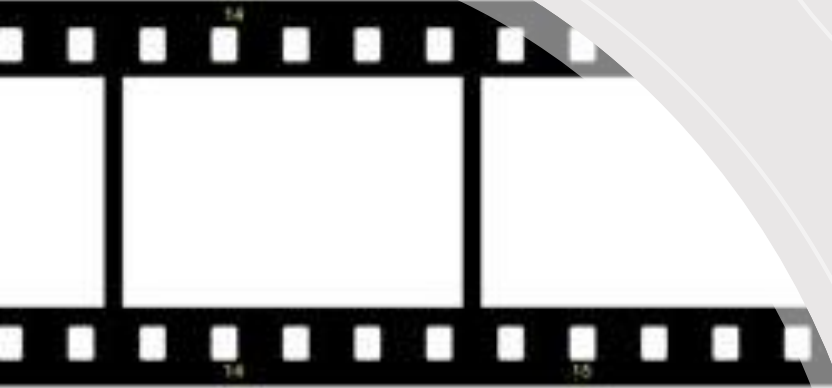

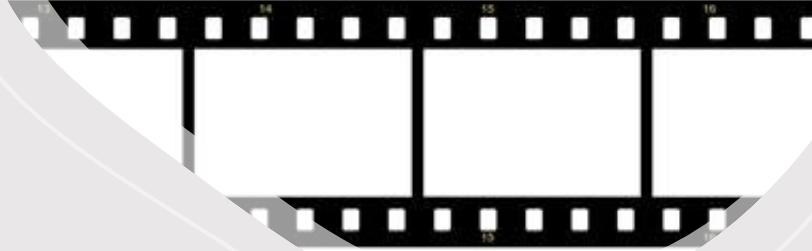

All tasks must be complete by your first Film lesson.

You must complete all tasks

Task – Intro to Film: Part 1

- Create a mind-map of all of the **cinematography** elements there are.
- Sketch each shot to help you remember.
- Create a small list of all **mise en scene** elements.
- Have a go at sketching your dream holiday destination and label it with all elements of mise en scene.

Task – Intro to Film: Part 2

- Create a mini glossary of all **sound devices** used in film.
- What would the soundtrack to your life be? Create a track-list of 10 songs to summarise your upbringing to present day.
- Create a poster of all of the **editing techniques** used in film.
- Research **1** film that has won *Best Editing* at the Oscars. In no more than 2 sentences summarise the reasons why it won Best Editing. You may have to use your iPad to help you research.
