

READY FOR LATIN

Tasks to prepare you for the GCSE Latin course.

TASK 1: GETTING BACK INTO IT

It's been awhile since you've done Latin so let's shape back up a bit ready for September. You will need to revise the content from Year 7-8. You can do this by completing an activity from this website for stages 1-14:

<https://www.clc.cambridgescp.com/books/book-i>

You will need to:

-complete an activity from each stage to help remind you of the content you learned. Use the checklist to revise and complete activities based on this.

Content checklist:

- O,S,T, MUS, TIS, NT verb endings
- accusative and nominative
- plurals/singulars
- imperfect and perfect tense
- datives
- Superlatives and comparatives

TASK 2: VO CAB BUSTER

ancilla

The best way to understand a language is by knowing what the words mean no? SO! I would recommend that you have a go at practicing your vocab on this quizlet over summer, it has an option to test yourself.

This will mean when you come back, translating will be easy as pi because you already know most the words!

FOR THE BOOKWORMS OUT THERE:

Pick up one of these book and it will help you understand the culture and history of Rome for our literature and civilisations part of the GCSE. It's also just fun and interesting!
