

Task 1: Airport codes

Airports have 3 letter codes recognised across the world so all airlines recognise them and don't land in the wrong place, for example Toronto Canada is YYZ. Complete the sheet below to show which airport each code refers to, where the airport is located and how many passengers passed through the airport in 2022.

What codes do different airports use around the world?

Key terms: Civil aviation authority, airport, pilot, code, YYZ

Three Letter IATA Code	Full Name of Airport	Country	Passengers in 2022
ATL			
SYD			
BKK			
ORD			
MAD			
AMS			

ICN		
MCO		
MEL		
YYZ		
MIA		
BCN		
BOM		

Task 2: Tourist sites

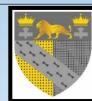

An important aspect of travel and tourism is having knowledge of tourist attractions in different parts of the world. Using the table below write a list of 5 or more tourist attractions found in each of the continents. Antarctica isn't included due to mostly being ice and penguins and not much in the way of

actual tourist attractions.

Where do people visit around the world?

Key terms: Visitor attraction, tourist attraction, culture, history

Europe	Africa	Asia	North America	South America	Oceania
Page objective					=

Page objective
Key terms: Insert some key words

Task 3: Continents and oceans

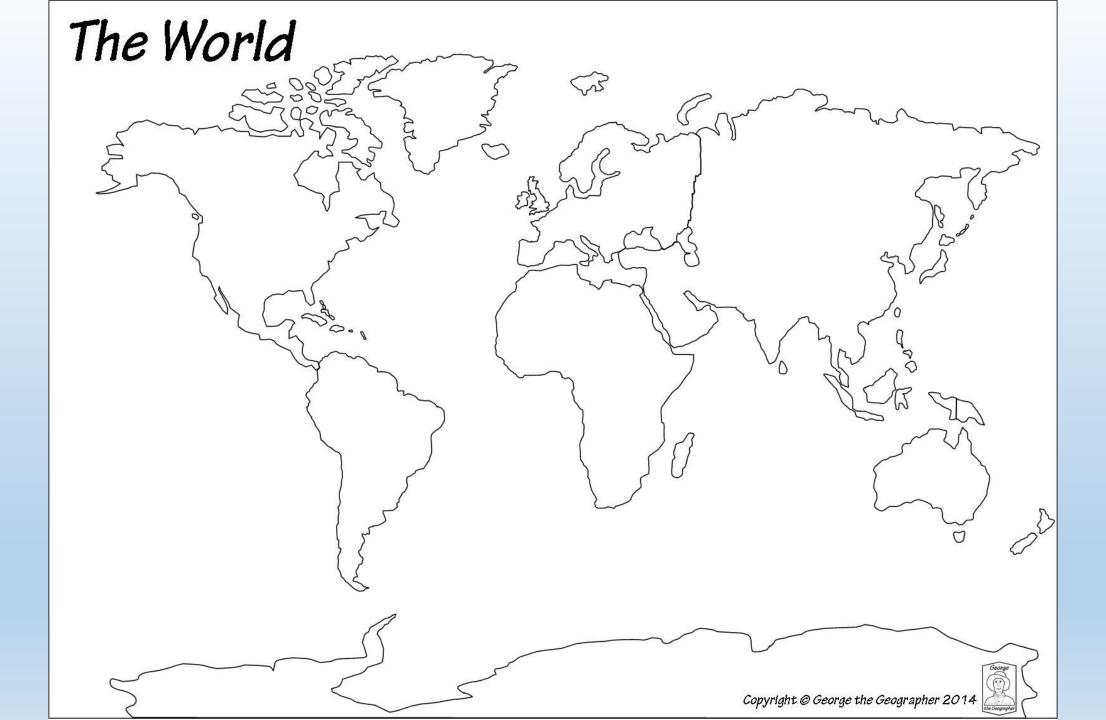

Geographical knowledge is key to successful travel, label the oceans and continents on the world map

What are the continents and oceans?

Key terms: Continent, ocean, Europe, Atlantic, Pacific

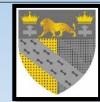

Timezones

As we travel around the world we will see that there are different timezones, which means in London we are 'ahead' of America but 'behind' Australia, due to the way they are worked out, so at 12PM in London it would be 7AM in Washington DC, USA but 9PM in Sydney, Australia.

What time is it somewhere else?

Key terms: Timezone, Greenwich, jetlag

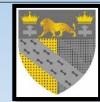

Task 4: What are we doing?

Complete the table to show when you would be completing your normal tasks compared to what the time would be in different parts of the world.

- 1. Complete the first column to show your daily routine
- 2. Complete the second column to show a time you would complete each activity
- 3. Completed the fourth column by working out the time difference between the UK and the country in the third column. There are websites that will help with this task.
- 4. Complete the final column to show what you would be doing at that time in the UK.

How do timezones change in different locations?

Key terms: Timezone, Greenwich, jetlag

Daily routine	Time	Country	Overseas Time	What would you be doing compared to UK time.
Wake up	7:00am	Sydney, Australia	5:00pm (11 hours ahead of UK)	Doing my homework
		Tokyo, Japan		
		Rome, Italy		
		Bangkok, Thailand		
		Los Angeles, USA		
		New York, USA		
		New Delhi, India		
		Reykjavik, Iceland
